Administrative Overview

The Applicants hereby amend the pending claims. Support for the amendments may be found at least in paragraphs [0036] and [0045] of the application as filed, as well as in the originally filed claims.

After entry of this Amendment, claims 1–28 will be pending. The Applicants respectfully request reconsideration of these claims in light of the arguments presented below and the withdrawal of all rejections.

Interview Summary

We thank the Examiner for the courtesy of the telephonic interviews held on September 22, 2008, and September 29, 2008. At the interviews, the Examiner requested that the claims be amended to recite a computing element, to clarify the relationship of the third protectable content to the first and second protectable content, and to address various issues with the wording in the prior version of the claims.

CONCLUSION

In light of the foregoing, we respectfully submit that all of the pending claims are in condition for allowance. Accordingly, we request reconsideration, withdrawal of all rejections, and allowance of all of the pending claims in due course.

If the Examiner believes that a telephone conversation with the Applicant's attorney would be helpful in expediting the allowance of this application, the Examiner is invited to call the undersigned at the number identified below.
